GRILL
BETTER!

CRAFTED WITH PRIDE  IN THE USA

RH  PETERSON co.

Special moments, like a family barbecue or a celebration with friends and neighbors, are made even more so with the American Outdoor Grill®.

Backyard Perfection

AMERICAN OUTDOOR GRILL

Designed and manufactured by the company that brings you FireMagic® Premium Grills, AOG® grills add style and cooking excellence to your outdoor kitchen

American Outdoor Grills® are made with a stylish sleek appearance. The seamless rounded hood and contoured face feature a satin finish that enhances any outdoor kitchen. The AOG® grill is constructed from the finest commercial-grade stainless steel and features a large cooking surface with stainless steel rod cooking grids and sleek analog thermometer measuring up to 1000° for precision grilling. With its recessed backburner, warming rack, spit rod and motor, the American Outdoor Grill® allows you to create any meal outdoors.

Whether Built-In or Portable, you'll be delighted with the performance and appearance of your American Outdoor Grill®

*All models available in Natural or Propane gas. (Natural Gas change the "P" in the model number to an "N")
All models also available without backburner and sideburner (-00SP)*

POST MODEL COLLECTION

Designed for condos, apartments, or anywhere space is at a premium. The American Outdoor Grill® In-Ground and Patio Post Mount units pack a lot of grilling enjoyment into smaller spaces (432 square inches). The In-Ground Grill models must be cemented into the ground. Pedestal models may be bolted to a deck or concrete slab. Both feature a backburner, warming rack and dual side shelves (standard). The optional stainless steel tank shield is designed to conceal the unsightly propane tank while a safety chain keeps the tank securely in place.

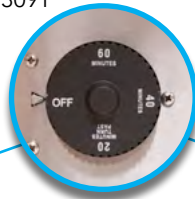

Both grill versions are available as "L" series with lights and electronic ignition and "T" series with "Rapid Light" piezo ignition system.

Pictured above: 24PPT Pedestal Grill with optional Tank Shield

Model: 3091

Pedestal and In-Ground models include a one hour safety timer that automatically shuts the gas off.

Model: TH-PP

OPTIONAL TANK SHIELD

Model Shown: 24NPT

Primary Cooking Surface: 432 sq. inches

BTU's: 32,000 Primary + 10,000 Backburner

Model Shown: 24NGT

Primary Cooking Surface: 432 sq. inches

BTU's: 32,000 Primary + 10,000 Backburner

Post Models available in Natural Gas with Propane conversion kit included
Models also available without backburner and sideburner (-00SP)

For optional factory-installed Infrared Burner upgrade, replacing left standard burner on "L" Series Grills, add -R to Model # (e.g. 24NPL-R)

ISLAND SYSTEMS

Constructed from durable Glass Fiber Reinforced Concrete (GFRC) and easily assembled on site, these Island Systems are designed specifically for AOG® grills. These 5-piece systems include a Café Blanco island base with a contrasting polished Smoke counter top.

Model #: DC790-CBR-108SM
