## Which deck is right for me?

**Are you looking for an elegant, low maintenance look?**

Our Mahogany decking is affordable and low maintenance with an elegant look. The reddish brown colors blend well with any style.

**Which product provides a classic Cape Cod & rustic look?**

Knotty Cedar cinnamon & cream colors fade into a classic Cape Cod grey overtime providing a casual, rustic look.

**Are you doing a painted porch or covered location?**

Check out our Fir decking, with it's rich and dark tan contrasts for any painted porch or covered location.

**Do you want a deck that will last for 50 years?**

Try our Ipe decking. It is the world's most durable wood and can last for at least 50 years unfinished and requires low maintenance.

**Our PVC Decking is a Great Buy!**

Fade & Stain Resistant | Low Maintenance | Easy Maintenance
