# RECLAIMED

Standard - in any of 4 frame styles	\$1650.00/pc
Jumbo - in any of 4 frame styles	\$1850.00/pc

# HOW TO MEASURE

## WIDTH

**With Trim:** from outside of trim to outside of trim

**No Trim:** width of opening

## HEIGHT

**With Trim:** from floor to top of trim & from floor to bottom of trim

**No Trim:** from floor to top of opening

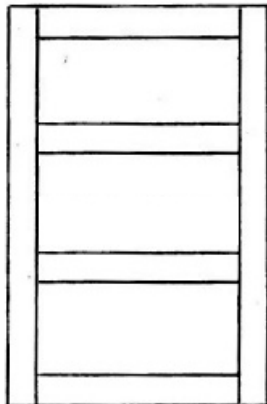

*Add 1" on either side for overlap*

## MAKE SURE

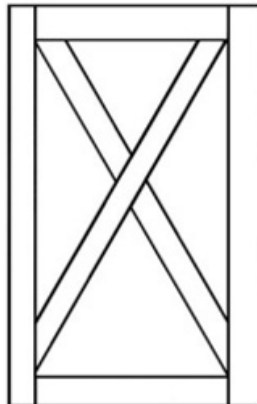

The side you want the door to slide has at least as much width as the width of the door and there are no obstructions out more than 1.5" from the wall. E.g. baseboard radiators, wainscoting caps, etc

*You will need about 6" from the bottom of the top opening to the ceiling.*

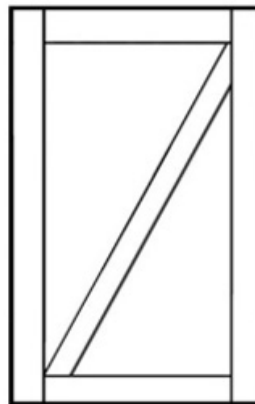

# FRAME SELECTION

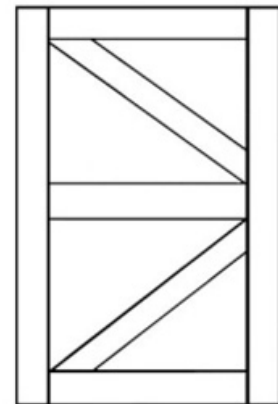

3 Panel Door

X Door

Z Door

Arrow Door
