WALLBOARDING

WALLS OF WOOD. NEW + RECLAIMED | UNFINISHED + PREFINISHED | AMAZING SELECTION

NICKEL GAP SHIPLAP

A popular trend in wood walls right now. Available Unfinished or Primed.

COTTAGE PANELING

A tongue + groove paneling similar to Nickel Gap Shiplap with a micro v-groove instead of a gap.

PICKWICK PINE PANELING

Our popular Pickwick Pine Paneling comes pre-grooved on the front for a unique style of paneling for your walls, ceilings or moldings.

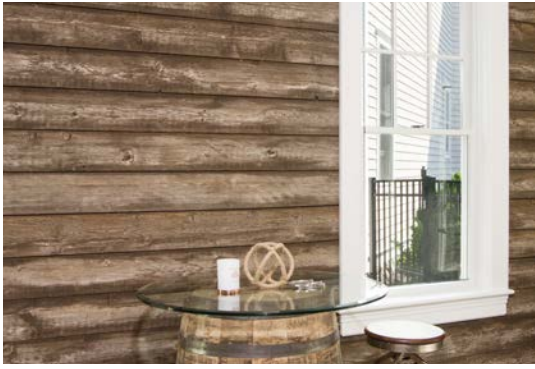

AUBURNDALE

One of our most popular floorings turned wallboarding! This heavy sawn red oak is prefinished with an antique reclaimed appearance.

WALLBOARDING

Looking to add interest or texture to your space? How about rustic charm? Look no further than our extensive wallboarding collection. From Shiplap to Reclaimed Oak to the many species options inbetween, we have wallboarding for every project.

BARNWOOD COLLECTION

Get the look and feel of real barnwood with this collection. This prefinished 8" nickel gap shiplap comes in Prairie Brown, Barn Grey or Wagon Red.

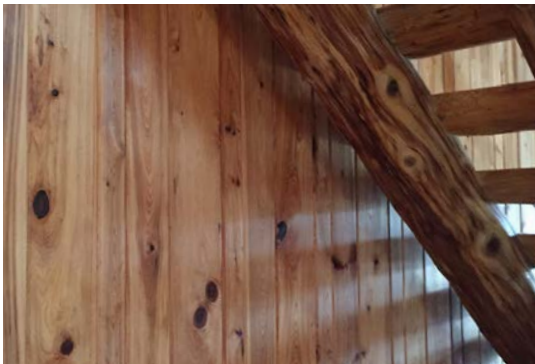

LIGHTHOUSE WALLBOARDING

A distinctive white-washed effect evokes aging barnboard and summertime camps. Use this as wallboarding to create a unique design element.

SHIPLAP PINE

Our unfinished shiplap is made from Eastern White pine and is extremely versatile for many applications at a great price.

TIDEWATER RED CYPRESS

This Cypress grows in the swamps along the Southern U.S. coast. With a richer color than the cypress that grows further inland, this wood shines on a big wall where the character & color has a chance to show off!

RECLAIMED BARNBOARD

This authentic barn wood was salvaged from agricultural buildings throughout New England and the the Mid-Atlantic. Available in Natural, White or Red.

RECLAIMED OAK

One of our best selling authentic reclaimed woods. Our reclaimed oak is offered in various widths. Don't forget to check out our other reclaimed woods.

MUSHROOM WOOD

Crafted by nature, Mushroom Wood was formed by the elements and strengthened with time.

ANTIQUE TIN PANELS

NEW! These reclaimed pressed tin roofing shingles are an unconventional option for your wallboarding needs. Each panel has a unique patina that was created by the elements over 50-70 years of exposure.
