

BARNWOOD COLLECTION

Our Barnwood Collection is the ideal design choice for architects and designers looking for a weathered, reclaimed wood without sacrificing affordability and integrity to your project. Add a unique element to your project with this rustic paneling.

Barn Gray

Prairie Brown

Driftwood

Thickness: 7/8" | **Width:** 8" (6.5" Face including 1/4" Gap)

Grade: Reclaimed Look | **Profile:** Shiplap with Nickel Gap

Features

- Manufactured from new lumber that would otherwise be wasted from the Rocky Mountain regions.
- Less production waste than reclaimed lumber.
- Excellent color retention.
- Prefinished – Nickel Gap Shiplap 8" ready to be installed.
- Can be used for exterior and interior projects including siding, doors, cabinets, accent walls and more.

Barn Gray

Prairie Brown

Paper and ink limitations of color samples as well as influence from heat, light and printing may account for differences in actual color.
