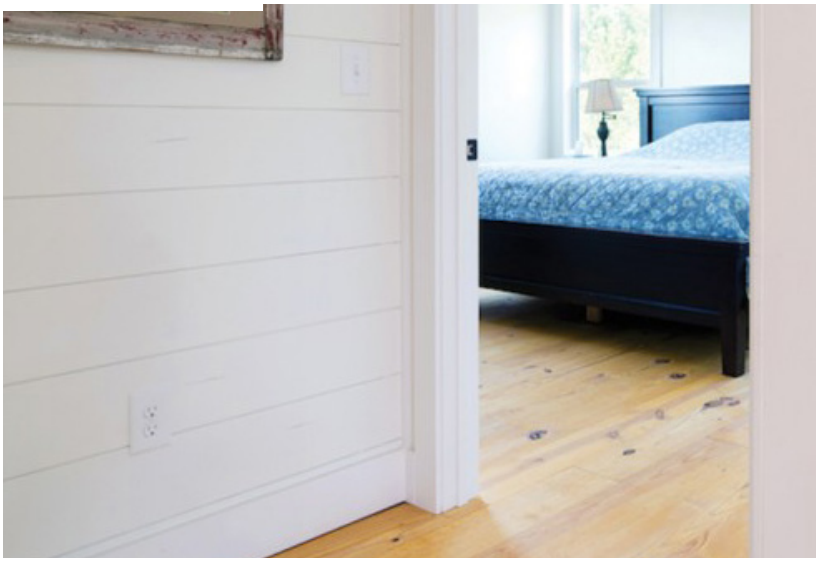
COTTAGE PANELING

PRIMED PINE

1 x 5″ Primed pine paneling tongue and groove takes away the work of finishing your walls, ceilings, and wainscot. It is primed with a white color and looks amazing. Easy to install in WP4 tongue and groove V-edge. The pine character will show through as the paneling ages.



Thickness: 3/4”
Profile: 1×5″ V-Groove, Eased-Edge, Mini T&G with 4 1/8″ face

PRIMED PINE NICKEL GAP SHIPLAP

1 x 6″ Shiplap primed pine paneling with a nickel gap takes away the work of finishing your walls, ceilings, and wainscot. It is primed with a white color and looks amazing in kitchens, walls, bathrooms, and more. The pine character will show through as the paneling ages.

Thickness: 3/4”
Profile: 1×6″ Shiplap 1/4″ Gap (5″ face includes gap)

PRIMED POPLAR NICKEL GAP SHIPLAP

Our 1 x 8″ Primed Poplar paneling with a 1/4″ gap takes away the work of finishing your walls, ceilings, and wainscot. It is primed with a white color and looks amazing in kitchens, walls, bathrooms, and more. This primed Poplar paneling has the look of classic pine shiplap with a clean character.

Thickness: 3/4”
Profile: 1×8″ with approximately 1/4″ Gap (7″ face includes gap)

Paper and ink limitations of color samples as well as influence from heat, light and printing may account for differences in actual color.
