### Natural Cleft Bluestone Pavers

Our versatile Natural-Cleft Pennsylvania Bluestone Pavers will add class to your home wherever you place them. Bluestone is an excellent option for Patio's, Walkways, Pool Decks, and everything in between. Natural Cleft Pavers retain the gently waving shear lines produced by the initial splitting of the stone. For warmer, more varied hues, choose variegated style bluestone pavers which display understated yet elegant shades of brown, gold, lavender, and green.
