WOOD vs. GAS

FACTORS TO CONSIDER IN YOUR DECISION-MAKING PROCESS

Wood Fire Pits

- ✓ Installation Time
- ✓ Hotter Fire
- ✓ More Affordable
- ✓ Better Experience
- ✓ No Contractor Needed

Gas Fire Pits

- ✓ Clean Burning
- ✓ Easy to Start
- ✓ Runs Continuously
- ✓ Quick Shut-off
- ✓ Fewer Fire Hazards

Fire up the Good Times

Our wood-burning fireplace and fire pit kits have been a best seller every year. Warm up your back yard or patio with one of these stone fire pits.

Choose from various colors in either a round or square shape. These kits are designed to install quickly and easily for your convenience.

Stonewood Products is proud to offer an excellent selection of easy to assemble DIY gas fire pit kits.

These fire pits are pre-fabricated, and ready to go in both natural and propane powered fire pit kit options and range from classic low profile to table chat height.
